Turning Points for Children is a 501(c) (3) non-profit organization. This donation becomes the property of Turning Points for Children and will be sold at the auction. The donor has established the value of the gift for charitable tax deduction purposes. The donation may be combined with other donations in a package for the auction as a group. The donor grants Turning Points for Children the right to mention this gift in promotional literature about the auction or about Turning Points for Children.
